**Middleburg.**  
In the 23rd year of her life Miss Jennie Hubble, eldest daughter of Mr. and Mrs. John P. Hubble, of Middleburg, died Thursday, after a severe illness of several weeks of typhoid fever, during which time she had the best care loving hearts and hands could bestow upon her. God has willed to take from our midst this sweet spirit and her family, home and community are indeed bereft. She was born near Turnersville, Nov. 22, 1883. When 15 years of age she united with the Christian church at Turnersville and her life has been a daily testimony that the love of her Savior filled her soul. All who knew her remember some kind word or deed and to her family she is one whose daily ministrations will be sorely missed. It is hard to say Thy will be done, but He who gave His only son to be crucified will not ask of us more than we can give. What greater comfort can there be than to know that she died in the faith and in our sorrow to believe that she is now where there is no more sorrow, pain or sin.  
**Family Skeleton.**  
Many a person's family skeleton is a state of weak digestive organs inherited from careless ancestors. The skeleton can be laid to rest by Dr. Caldwell's (Laxative) Syrup Pepsin. Better do so at once, otherwise it will dog you daily, and keep you in constant misery, and in danger from worse complications. Syrup Pepsin is a specific for indigestion, constipation, headache and biliousness. Try it. Sold by G. L. Penny, Stanford, and C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.  
The labor political troubles in St. Petersburg have reached such a critical stage that slaughter is now feared, the civil populace evidently considering a conflict with the troops. The strike is spreading rapidly in all directions.  
**How to Cure Corns and Bunions.**  
First soak the corn or bunion in warm water to soften it; then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by all druggists.  
A bulletin issued by the bureau of statistics of the department of commerce estimates that the foreign commerce of the United States for the calendar year is more than \$1,000,000,000.  
Sick headache is caused by a disordered condition of the stomach and is quickly cured by Chamberlain's Stomach and Liver Tablets. For sale by all druggists.  
As the result of an explosion in a Pennsylvania mine five minor officers were killed.

**A Judicious Inquiry.**  
A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or an adult, and if for a child they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by all druggists.  
The dismembered body of a woman, found in two valises in Boston harbor, has been practically identified as that of Ethel Durrell. Morris Nathan to whom the girl was engaged, was arrested in Pittsburg.  
**Makes Homely Women Pretty.**  
No woman no matter how regular her features may be can be called prettier if her complexion is bad. Orino Laxative Fruit Syrup aids digestion and clears away blotched complexions by stimulating the liver and bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Remember the name Orino and refuse to accept any substitute. Penny's Drug Store.

**THE LIVER QUARANTINE**  
Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ills assail the man who endeavors to economize time at the expense of his health.  
A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness.  
In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder affections. No well-regulated family should be without this standard remedy.  
Two sizes, 25c and 75c. All druggists.
